

# Proclamation 24/09/10 Istanbul

We make this proclamation on the basis of the shed blood of Jesus Christ and his finished work on the cross

## PROCLAMATION

In the Name of the Lord Jesus Christ of Nazareth and with the authority, which we have as believers in Him, we now declare that we, our families, descendants and all current and future believers in Christ in health care have confessed and repented of the sins of pride, unbelief, idolatry, lies and deception, fear and fear of man and love of self. Through Christ's blood, we are now forgiven, sanctified, cleansed from these sins and have been justified and redeemed out of the hand of Satan. We now turn our backs on all forms of these sins.

We declare with joy and gratitude that Jesus Christ is faithful and has purified us from all unrighteousness. We thank Him for cutting us, our families, descendants and all current and future believers in Christ in health care free from the Hippocratic Oath, unrighteous blood bonds and agreements with every person who was involved in the Hippocratic Oath.

We declare that,

*"The LORD is with us; we will not be afraid. What can man do to me?"*

*The LORD is with us; he is our helper. We will look in triumph on our enemies." Ps 118: 6-7*

We proclaim that God is our stronghold, He is our shield and buckler, He is our shepherd, therefore He will protect us, our families, those praying for us, our property, our office – our places of work – our churches – our ministries, from our enemies and there will be no revenge or retaliation against any of us.

We proclaim by faith that God's full armour is over and around us and is sufficient and thank Him for His angelic protection.

We commit ourselves to seek to repeatedly receive fresh infillings of the Holy Spirit in accordance with Ephesians 5:18 and will give God the praise and worship due to Him.

In the Name of the Lord Jesus Christ we thank Him and proclaim that the God of Peace will soon crush Satan underneath our feet, specifically the manifestations of the serpent of Asklepios and all other serpents associated with healing, medicine or health care. Standing on the finished work of the Cross, we declare that the pagan roots of health care have been exposed, pulled up, and will be brought by the God of Shalom under the footstool of the Lord Jesus Christ. Ps 110

We thank the Lord Jesus Christ that on His return He will put to nought the counterfeit 'christs', specifically the serpent god Asklepios and all other 'gods' of health care and healing. We further declare that health care will be set free from the wealth, greed and pride of medicine, the idolatry of scientific intellectualism and its pagan roots.

We further declare that Your Word says that when, "the times will have reached their fulfilment" all things in heaven and on earth will now be brought together under one head, even Christ. Therefore we stand on that Word (Eph 1:10) and declare that the

Lord will bring health care back under His headship and release the fullness of His Kingdom purposes through health care.

We decree that the ancient gates of health care are being lifted up and that the Lord of Glory, the Lord God Almighty is entering in!

We proclaim that Jesus Christ will transform His people with a fresh anointing of humility, meekness and all the fruit of the Spirit. We proclaim release of the fullness of the power of the Holy Spirit into health care. We proclaim that people will see and know Jesus Christ as the true healer and be made whole as part of a mighty end-time harvest.

We declare that the Lord God is Almighty and worthy of all praise, honour and thanks for all that He has done and will do in bringing health care under His headship and for placing His enemies under His feet. We give Jesus Christ all the GLORY!

We make this declaration in the all-powerful Name of the Lord Jesus Christ.
